Class Comments: A class in two halves. Most wines suffered premature advancement with most Silvers missing out due to this. Not too many faulty wines. The Gold is a cracking example of a young Riesling with fruit, drive, texture & excellent balance.

5	22	Windowrie Estate 2012 "The Mill" Verdelho	34	

Class Comments: A class full of sweet & neutral wines. The main issues were advancement & sulphides. The Silver medal wines showed better balance and/or character but were essentially under fruited.

14	9	Douglas Vale 2013 Villard Blanc	44.5	
14	10	Mudgee Wines 2012 Verdelho	47.5	Bronze

Class Comments: An excellent strike rate for such a small class. Lots of well made wines with the Silvers mainly missing out due to sweet verse acid balance. The top wine displays varietal character & excellent balance with precision.

Class 15. Sweet white table wine, Dessert Style, unfortified, any variety or blend. Any vintage.

Class Comments: The Top Wine is a standout with freshness & vibrancy. Some of the other wines looked a bit tired and simple.

16	12	Barton Estate 2012 Blue Rose	41.5

Class Comments: A pretty uninspiring class. Many wines were far too sweet and relied on this sweetness for flavour. Others were advanced or had sulphide issues. Top Silver had character & finished dry but was ultimately under fruited.

Class 17. Dry red table wine, Pinot Noir any vintage.

Class Comments: NSW has a lot to learn about Pinot Noir. The main issues were volatility, advancement & general lack of Pinot Noir character. The top pointed wine showed pinot character & was a step in the right direction. It just needs more fruit weight on the back palate & finer tannins.

Class 18. Dry red table wine, Merlot any vintage.

Class Comments: Generally a pretty reasonable class. Some wines were lacking some fruit & freshness. The top wine was vibrant but tannins were a little to dominant to get it Gold.

Class Comments: A class of two halves. Younger wines generally looked really good. The older wines are starting to look plain & dull some with microbial issues. The top wine was an absolute standout with youthful freshness & varietal character.

Class Comments: Unfortunately a very poor class. Care has to be taken to get the grapes ripe & to maintain freshness. Many wines were prematurely developed & a couple were suffering major microbial issues. The top was a shining light showing ripe varietal character, appropriate structure & freshness.

Class 21. Dry red table wine, Italian & Spanish varietals & blends containing 85% or more of these varieties. Any Vintage

27	25	Wombat Crossing 09 Bottle Ferment Sparkling Shiraz	51	Silver

Class Comments: Slightly disappointing class. Many wines were either advanced, had unbalanced sweetness, lack of complexity or all three! There were also a couple of suspected microbial wines in the sparkling reds. Silvers were clean & crisp but lacked the complexity to get them to Gold.

Class 28. Apera and varietal or blended fortified wine not covered by classes 29 or 30. Dry to sweet.

Class	Jud No	Commercial Name	Points	Award
29	8	Draytons Family Wines Heritage Vines 1978 Tawny	52.5	Silver*

Class Comments: The better wines had character & balance. The 1978 was a privilege and would benefit from freshening with some younger material.

Class 30. Muscat/Topaque, Red or White.
